He has worked so hard in choosing time and has been practising writing his phonemes. Well-done Teddy - Practise makes perfect!

Poppie puts in a huge amount of effort into all of her work. But over the past few weeks, her RE contributions to the lessons and her recording of her ideas have been fabulous! She could clearly explain how and why Christians use music to worship and also how Christians celebrate Holy Communion in different ways. She deserves to be in our special assembly this week. Fantastic work, Poppie.

Jacob – Cranes

Jacob has enjoyed learning about all aspects of the Stone Age in History lessons. He has thought carefully about how to answer our question – How did the lives of Ancient Britons change during the Stone Age? He can explain how homes, food and tools developed from the Early Stone Age to the Late Stone Age.

Year 4

Harlow – Buzzards

Our inspiration for persuasive writing this week was Boudica. We explored what language we could use to convince the Celtic people to rebel against the Romans. Harlow you did an amazing job in the role of Boudica and inspired the Buzzards to follow you into battle.

Frankie- Hawks

I am so impressed with Frankies attitude towards learning this week! She has tried super hard with her maths work on addition and negative numbers. Frankie said to me and a group of learners "Don't give up, keep on going" which really showed to me her dedication. Well done for pushing yourself and working hard even when you find new things a challenge at first!

Frankie was also a whizz during our times tables practice!
