This week in RE you amazed us with your knowledge.

You remembered that Muslims go to a Mosque for worship. You spoke in a clear and precise voice.

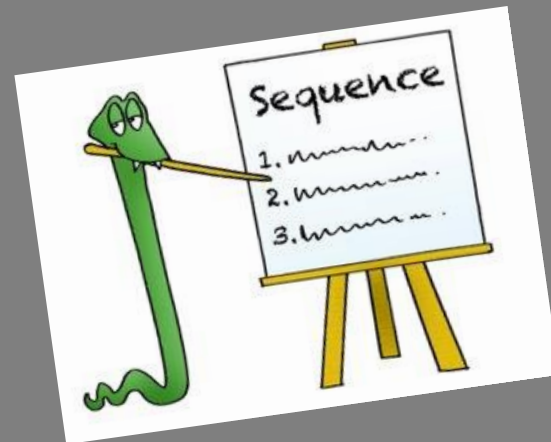

Great remembering of knowledge that you have learnt in the past.

Well done Jack.

We have had an exciting start to our English unit this week... a rocket visited our school playground! Brax has demonstrated lots of enthusiasm for learning all about Bob (the man on the moon). He used his sequencing reading VIPER to order Bob's morning routine. He was able to clearly remember the sequence of how Bob prepares for his journey to the moon and used key vocabulary to practise saying the sentences too. Very proud of your super attitude, Brax!

Brooke has been phenomenal when working in English lessons this week. She has definitely been using endeavour in all of her writing activities! Her recounts of Mr Wolf and the Three Bears have been so interesting to read, she has been using all of the skills which we have been studying and she has been making a huge effort with her handwriting. On top of all this, her listening has been second to none which has helped her enormously. What a little superstar! Keep up with this fantastic effort, Brooke.

You have showed interest and enthusiasm and tried hard to remember to take your turn and listen to others. Keep on being curious and sharing your ideas with us Kenzie.

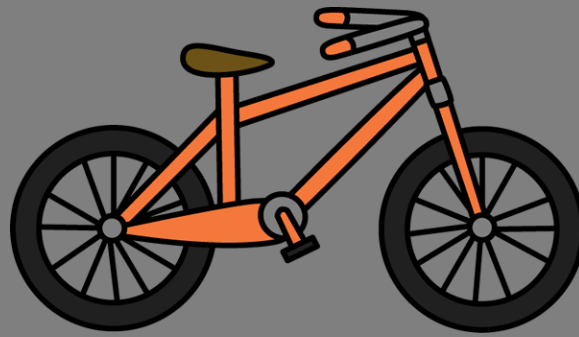

Alfie- Hawks

Alfie has been amazing this week during our English lessons! He has worked well as a group to make predictions about the text using only the front cover. He made some excellent contributions towards the class discussion and used evidence from the book to support his personal judgements in his writing. Alfie is always eager to answer questions but is also an excellent listener and supportive member of the class. Keep on striving for excellence Alfie I am very proud of your fantastic attitude towards learning!
