## Robins – Evelyn

Evelyn has been fantastic this week and very independent when reading and writing. She can read most words by sight without the need to sound them out. She can think of super sentences independently and even write her own super sentences correctly. It is very pleasing to see her enthusiasm in class, well done Evelyn!

## Jays - Willow

Willow has amazed us this week with her fantastic knowledge of the world. She has been very enthusiastic about finding out about other families and how they live. She has also remembered lots of new words and even tried to make comparisons between different places and where she lives. She could speak confidently about her learning, and we are very proud of her.

# Year 1

## Owls - Rosie

Rosie has shown great enthusiasm this week when we talked about events and toys from the 1960s. She enjoyed looking at the photographs and video clips to find out about the past in our History lessons.

She also did a fantastic job telling Mrs Jepson all about our Geography work!

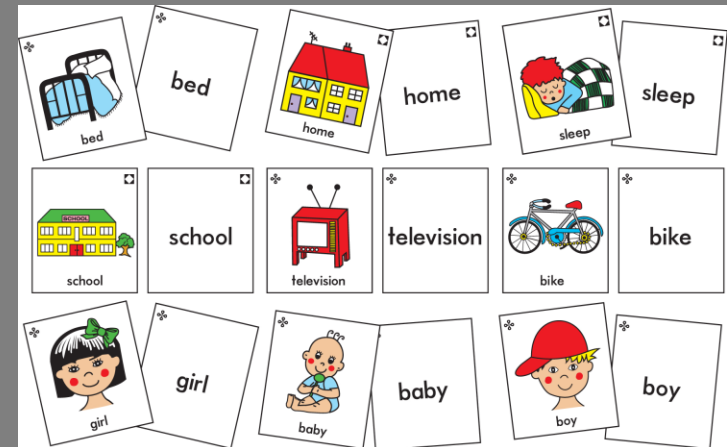

## Sparrows - Reegan

Reegan has shown that he is capable of using his listening skills and waiting for his turn to speak.

Miss Kershaw was really proud of how well he joined in with her vocabulary group. He learnt lots of new words and remembered which category they belonged to.

Well done Reegan!

# Year 2

## Finches - Myles

Our topic of The Great Fire of London in both our English work and History work has enthused all the children in Finches class.

This week Myles has amazed us with his ideas about why the fire spread so quickly. He is an active learner in our lessons.

Great discussion and explanation of what you think.

Well done Myles, keep up the hard work.

## Wrens – Reuben

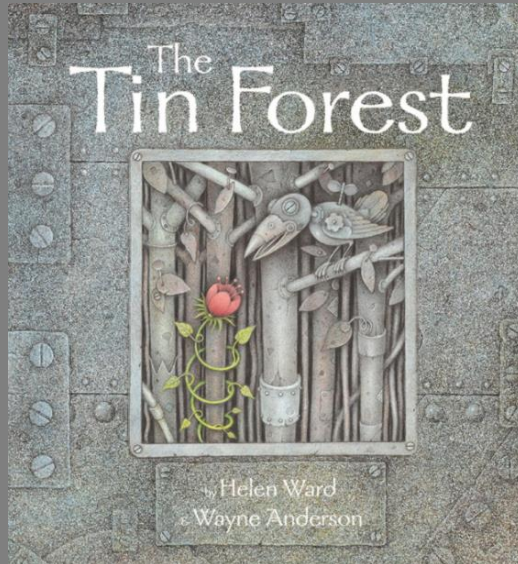

Reuben has thoroughly enjoyed the History work about the Great Fire of London. He has written some fantastic sentences describing the action.

Reuben, well done and keep up the great work!

# Year 3

## Ralph-Jackdaws

Ralph has been putting in a super effort into his writing this half term but this last week in particular has been excellent! He has been working hard to improve his handwriting and also think more carefully about his word choices. This is helping him make really great progress. Keep up with this super work, Ralph!

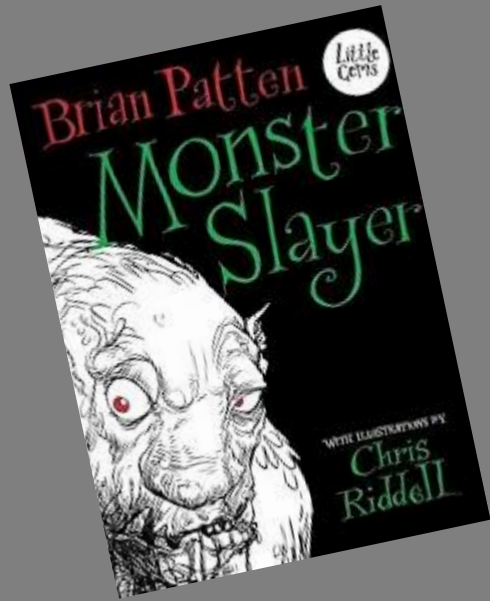

## Bea – Cranes

Bea has really impressed me over the last couple of weeks with her writing. In addition to thinking about the different skills that we have been focussing on every day, she is also thinking carefully about her vocabulary choices in order to make her writing interesting to read. Keep up the hard work, Bea!

# Year 4

## Jasmine-Buzzards

Jasmine has worked exceptionally hard with her writing this week in English. We have been writing descriptions of Grendel from our key text 'Monster Slayer' and our aim has been to terrify the reader! Jasmine's writing was well thought out, cohesively written with powerful descriptive language and it really fulfilled the success criteria. I really enjoyed reading it. What a star!

## Luke- Hawks

This week I have chosen Luke because he doesn't just work hard in school, but he works hard at home too! Luke went home and researched different types of torches for our DT topic and used his PowerPoint skills to record all the information he had found. He also created a 'comic strip' on PowerPoint after really enjoying our computing topic from last term. You had some really creative ideas! Well done Luke, I am very proud of you!

# Year 5

## Myles E - Ospreys

| 1 | 12 |  |  |  |  |  |  |  |  | 1 | 12 |

Coming back to school after being off can be challenging but I have been very impressed with your work and understanding of equivalent fractions Myles. You have been a focused learner in Maths this week and you challenged yourself with some tricky questions.

In addition, you were able to use the term air resistance correctly to explain what happened in the investigation you carried out.

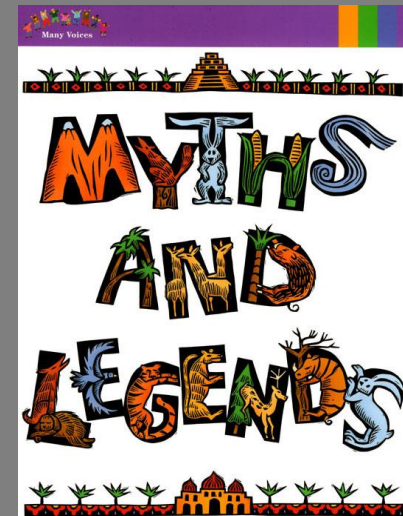

## Woodpeckers – Evie-Leigh

In English this week, Year 5 had to plan and write their own myth.

Evie-Leigh created her own character for this, described the setting well, wrote in paragraphs and used parenthesis to make her sentences more interesting. She's worked hard and has produced an interesting, imaginative and thoughtful piece of extended writing.

Well done Evie-Leigh!

# Year 6

## Levi - Falcons

This week we have tackled some tricky work in maths – converting between different units of measure. Levi showed great determination to tackle work that was very challenging. A super attitude to have Levi! Well done!

## Harmony - Eagles

This week, our work has been based on the video clip 'The Dreadful Menace.' Harmony has written an excellent similes and metaphors poem. She really used her imagination and followed the success criteria to produce a very menacing poem.

## Robins – Lyla

Lyla is a true Feniscowles child and always makes the right choices. She is a kind, caring and helpful friend. She thinks of others and offers to help her friends and her teachers too. She also shows compassion towards others. Well done Lyla you are amazing, and we are very proud of you.

## Jays – Thashwin

Thashwin has been a superstar this week and shown lots of our school values. He has tried to think of others and shown kindness and compassion. He has used kind words and been able to share and take turns. Keep this up Thashwin, you should feel very proud of yourself.

# Year 1

## Oakley - Owls

Oakley has been a star this week!

He has come into school every day with a beaming smile, ready to learn.

He always shows integrity by making the right choices.

He is a kind and compassionate friend.

## Sparrows - Penelope

Penelope has had an amazing attitude towards her learning this week. She has always had her hand up joining in and trying her best to answer questions.

There is no doubt that Penelope shows endeavour by trying her best in everything that she does. What a star!

# Year 2

## Finches – Abbey

Abbey you have a fantastic attitude towards all of your work.

You show endeavour with all the tasks set and we can see that all your hard work is paying off. Not only do you work hard in school but you also endeavour at home. You never miss a chance to read and carefully complete your homework each week.

Abbey we are so proud of everything you have achieved and it is due to your amazing attitude.

## Wrens – Aurora

Aurora you always set a good example to everyone. You are a kind and caring friend who shows compassion to others. You show respect for all living creatures too!

Aurora, keep up this positive and cheery attitude!

# Year 3

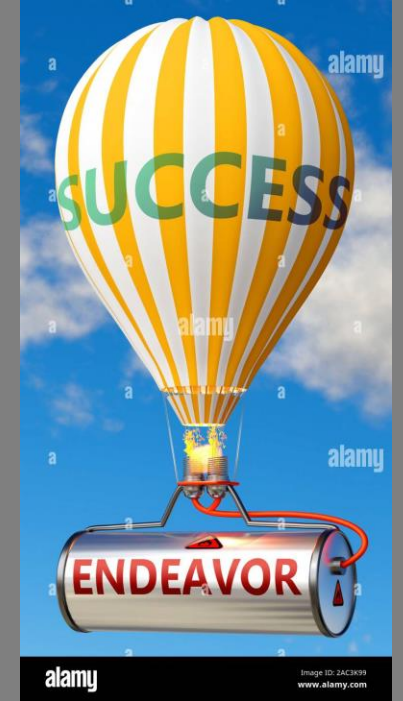

## Isla S-Jackdaws

Isla is an absolute pleasure to have around. She shows endeavour at all times as she puts in her best effort in everything that she does. She is a brilliant example of how to follow our 3 S's and always chooses to do the right thing without being told. She is a great example of a Feniscowles child. Amazing, Isla!

## Charlie – Cranes

Charlie shows endeavour in lots of different lessons. He is very enthusiastic to share his knowledge and always wants to find out more. He tries hard and endeavours to be the very best that he can be. Well done, Charlie!

# Year 4

Rose Watson - Buzzards

What a caring and compassionate member of our class you are. I always find you quietly and patiently trying to help and support others. Even when no-one is watching you, you do the right thing, the kind thing. It is such a pleasure to have you in our class. We especially value role-models like you Rose, as you don't expect anything in return for your kindness.

Keep on showing compassion it will make our school and our world a better place!

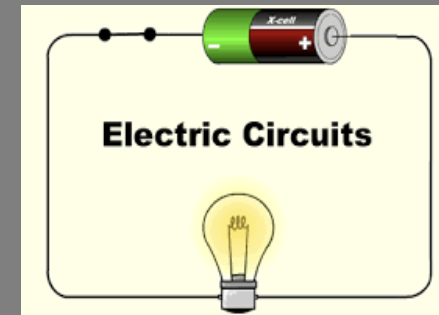

Oliver B- Hawks

I have noticed Oliver's excellent attitude towards learning this week! He wrote a super piece of descriptive writing in English, and I was really impressed to see him going back and editing his own work.

He has also shown endeavour in our science lesson this week and worked well as a group to complete different electrical circuits.

It is great to see you working so hard both independently and as a group! Well done, Oliver!

# Year 5

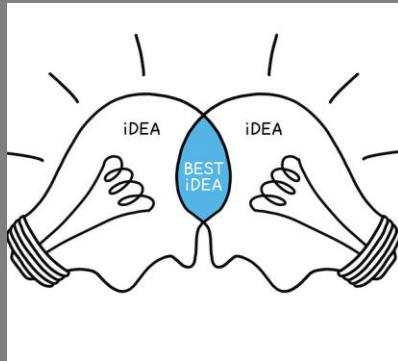

Liam - Ospreys

Your efforts have caught the eye this week Liam. I can see that you are valuing your learning in class and you have shown strong collaborative skills in carrying out an investigation in Science, your ability to experiment with new vocabulary and sentence-structures in English and generally endeavouring to be your best!

Well done Liam. Keep taking those strides forward to develop as a learner being a true 'Feniscowles Child'.

Woodpeckers – Emelia

This week in Woodpeckers, we have been really focusing on speaking respectfully to adults and our peers in school.

Emelia is so polite, kind, thoughtful and respectful that she always sets a good example to others. She is a credit to herself and Woodpeckers, we're very proud to have you in our class, Amelia!

# Year 6

## Luke - Falcons

What an amazing role model Luke is! He is always striving for excellence in both his work and conduct. Luke never shies away from a challenge and is always looking for ways to improve. He is a respected member of the class, showing us time and time again our values of endeavour, integrity, respect and compassion. We feel so lucky to have Luke in Falcons! Well done!

## Amirah- Eagles

Amirah has been 'Striving for Excellence' in all areas of the curriculum this week. She has demonstrated our school value of endeavour whilst making our 'blood soup' in our Science lesson. Also, Amirah has shown compassion and respect to her friends in Eagles. Well done, Amirah.
