

<p>Timing</p> <p>2 sessions of approximately 40 minutes</p>	<p>Children will</p> <ul style="list-style-type: none"> • Think about the technology they use every day • Present the technology as a timeline, showing when they would use it • Talk about the benefits of using technology • Look at a map of a town and talk about the different technologies that are used in different places • Talk about the technologies that are used most often <p>This block assumes children have experienced Year 1 Technology in our Lives 1 (Discovering My Technology).</p>
<p>e-safety links </p> <p>I can talk about why I should go online for a short amount of time.</p>	<p>Objectives</p> <p>Technology in our lives</p> <ul style="list-style-type: none"> • I can tell you why I used technology in my home and community. • I can identify benefits of using technology including finding information and communicating with others. • I can tell you why I use technology in the classroom.
<p>Links to other learning</p> <p>Computing: Handling Data 2, Multimedia 1 Geography: Study the human geography of a small area of the UK, Use vocabulary to refer to key human features;</p>	
<p>Resources</p> <p>Survey</p> <p>Technology Around Us</p> <p>Technology Town Map</p>	<p>Preparation</p> <p>Ask children to complete a survey of the technology they use each day prior to the sessions. Also available in word if you want to change any headings. To prepare them for this, you may want to use the Powerpoint from Year 1 Technology in our Lives 1 to get them thinking about different sorts of technology at home. As adults we think about technology from the use of flint to cut up food in Stoneage times, to paper for books, to electronic devices today. This activity is about today's technology. The devices and 'machines' that are used and can help us in different ways.</p> <p>Download Technology Around Us presentation.</p> <p>Print out copies of Technology Town Map if you would like children to work in pairs rather than discuss the town map within the presentation as a whole class.</p>

	Expectations	Activity	Success Criteria
1	<p>Technology in our Lives I can tell you why I use technology in my home and community.</p> <p>I can identify benefits of using technology including communicating with others.</p>	<p>Technology in my day Children will have had the chance to complete a survey of the technology they use.</p> <ul style="list-style-type: none"> • Set the class up to share their technology surveys in pairs. What is the same? What is different? • As a class make a 'Technology Timeline' of a day for children in year 2. • Present the outcome as a class display or ask the children to use the tools they have experienced in Multimedia 1 to make their own 'Technology Timeline'. • Ask children how technology helps us. What are the good things about technology? 	<p>Gold: Can I explain the benefits of using technology?</p> <p>Silver: Can I talk about the different ways I used technology every day?</p> <p>Bronze: Can I describe some technologies that I use?</p>
2	<p>Technology in our Lives I can tell you why technology is used in my community.</p> <p>I can identify benefits of using technology.</p>	<p>Technology to help us</p> <ul style="list-style-type: none"> • Look at slide 2 of Technology around us. In pairs talk about the buildings they can see. What technology will be used in the buildings? • Children work in pairs with a Technology Town Map. Move through slides 3 – 12. Where would you find this technology? What does it do? How does it help us? • Ask the children to think about any other technology they could find in any of the buildings in the town. • Which technology is used the most? Which technology would you find in most of the buildings? • Optional: Use skills gained in Handling Data block to show information about the most commonly used technology. • Ask children whether they can tell you about technology in our town / village. What is it used for? Why is it important? 	<p>Gold: Can I talk about the technology in our community and recognise its benefits?</p> <p>Silver: Can I tell you about different technologies in our town/village?</p> <p>Bronze: Can I name some technologies?</p>
