Halloween Disco

We are very excited to invite all children to our PTA Halloween Disco on Thursday 23rd October! It's going to be a spooktacular evening filled with music, dancing, and lots of Halloween fun.

The Discos will be held in both the Infant Hall and the Junior Hall. Children are welcome to bring their favourite Halloween costumes in a bag to get changed into at the end of the day - Just no props such as broomsticks, axes, grim-reaper hooks etc... they cause carnage and often end up lost and/or broken.

To reserve your child's place please book via Arbor in the Product Shop and select Halloween Disco. If your child attends Pitstop till 5 or 6 pm there is no need to book on or pay for a place. If your child attends the 4.15 pm session please don't book them on Pitstop, please book them and pay on the Disco instead.

Car Scratches

Since returning to school in September, two members of our staff have had their cars considerably scratched all down one side. This has happened on the infant building side around Park Farm Road and just outside of school. One looks like it has been scratched with a child's bike pedal and the other potentially by keys or something metal. We know the area suffers greatly with congestion both on the roads and on pavements. We can't directly control this but, could we please ask families to be mindful of children walking or cycling closely to parked cars.

Open Mornings Friday 10th and Friday 17th October

We have held the first of our open mornings on Friday this week and it was a pleasure to welcome so many new faces to our school. We changed the format slightly this year; allowing families to see a celebration assembly before heading out on a tour around school. We feel like our Friday assembly really showcases what we want our school to be like: filled with love, learning and positivity! It gives families an opportunity to see our teachers in action outside the classroom setting too. We have had a booking system with more limited places this year to ensure that all our current families still have chair spaces to see their little one's big moment. As always, if you cannot make these dates, please call school and we can arrange alternatives.

Harvest Donations. Please Bring in on Monday - Wednesday Next Week

This year we will be collecting donations for Maggie's Still Birth Charity. We normally collect for Blackburn Foodbank however, we also recognise that The Foodbank gets donations from almost all schools and churches across the borough. We wanted to do our bit to support a smaller charity, closer to home this year. We would like to kindly ask our families to donate if you are in a position to. From Monday to Wednesday, please bring in:

- Feminine hygiene products (pads, wipes, washes) Maggie's charity distributes these to local high schools in an attempt to end "period poverty" and ensure those girls who are less financially stable, still have access to these products.
- Tins (tomatoes, sweetcorn carrots, peas, soups)
- Toilet rolls
- Boxes of cereal
- Shower gels, shampoo and conditioner
- Long lasting packet items (Rice, dried pasta, noodles)

Harvest Assemblies

Juniors

On Wednesday next week, our year 6 pupils will be leading the Harvest Assembly. Parents from our Falcons and Eagles classes are welcome to join. Please arrive at the junior building main entrance for 8:45.

Infants

Our Year 2 Wrens class, will be leading the infant building Harvest Assembly. The assembly will start at 9:45, so please arrive about 10 minutes before at the infant building main entrance.

Key Dates

13.10.25 - Year 4 Trip to Ribchester Museum

17.10.25 - Open Morning 2 for new families

23.10.25 - Halloween Disco - Infants 3.15 - 4.15 pm - Juniors 3.20 - 4.20 pm
