Pit Stop News

Friday 17th October 2025

Welcome to this weeks newsletter.

It is hard to believe, but the end of the first half term is already fast approaching! The weeks have flown by, filled with learning, laughter and lots of creative fun. Read ahead to check out what we've been up to this week.

Making Space

If you are having a half-term clear-out of toys, games or puzzles to make room for Christmas, we would be very grateful for any donations! Good quality, complete items are always welcome and will be well loved and used. Thank you for your support!

Bringing New Life to the Garden Shed!

This week, our school garden got a joyful makeover as the children took on the challenge of painting and revamping the tired old garden shed. Once dull and weather-worn, the shed had long been in need of a fresh coat of paint. It has now been given a new lease of life—and the children feel proud to have made a lasting difference to their school environment.

There is also a selection of desserts on offer - there is always something to suit everyone's taste.

🌟 **A gentle reminder:**

Please keep us updated with any changes to your child's dietary requirements, so we can continue to provide the best care possible.

Autumn Craft 🍁

Autumn has brought a burst of creativity with lots of seasonal crafts, keeping everyone busy and excited. Children have been making colourful leaf men, hedgehogs, painting pumpkins with apples and creating leaf garlands - just a few of the creative ideas taking place. The children have been so excited as they finish their autumn crafts, proudly showing off their creations and eagerly taking them home to share with their families.

A Fresh Space to Play and Unwind

We have recently invested in some new equipment to help make our space even more engaging and comfortable for the children. Alongside fun new games and resources, we are also developing a quieter zone at the back of the hall whereby quieter activities can be enjoyed after a busy school day. It has been a great addition that supports different needs and helps create a more balanced environment.
