Pit Stop News

Friday 12th December 2025

Welcome to this weeks' newsletter.

As we approach the final busy week before the Christmas holidays, the excitement is certainly building across the school.

We look forward to ending the term next week with lots of fun and celebration.

Glow and Throw Night!

Fun nights at the after-school club are always a hit, especially when dodgeball and a glow-stick party are on the schedule!

The glow sticks were shining and the hall turned into an energetic, colorful playground in which the children danced, laughed and had fun.

We also had a fast-paced game of dodgeball that had everyone laughing and energized.

Wreath Wizards!

Well done to all the children who spent weeks making their beautiful pom-pom wreaths for the Christmas fair!

You showed real entrepreneurial spirit, creativity, and dedication - we are so proud of all your hard work.

Your Christmas stall looked absolutely amazing—bright, festive, and full of your brilliant efforts.

The Magic of Junk Modelling

What was once just a simple box became something amazing during our junk modelling adventure.

With a bit of imagination, glue and plenty of laughter, the plain cardboard turned into a rocket, a castle, or even a creature with bottle-top eyes.

Every scrap piece found a new purpose, and the best part was watching an ordinary bit of “junk” transform into something full of character and fun.

Grinch Brain-Break Fun

Everyone at Breakfast Club loves to join in with the Grinch Brain-Break, a moment to relax and laugh together before school starts.

The hall is filled with energy as we all stretch, move and play along. A simple but great activity - setting a positive tone for the rest of the day.

Elf on the Loose

Polly the Elf is up to mischief again!

After sneaking around Pit Stop after dark, it looks like she couldn't resist messing with some staff photos - causing just enough chaos to keep everyone guessing what she will do next!

The team might be trying to work, but the elf clearly has other plans!
