First Aid

On Wednesday, we welcomed Andrea from *Mini First Aid Lancashire into school!* Andrea delivered an assembly in both of our infant and junior buildings all about basic First Aid, at a child-friendly level. She then went on to do more in-depth workshops with our children in year 3. It was a fun and practical session in which our children learnt some skills to help keep them safe and may - one day - maybe even save a life! Our thanks go to Mrs Mullaly and Miss Deane for organising this great experience for our children and also to Andrea for a really action-packed day! This is something that we hope (budget depending) to continue with every year from now on! See our Instagram page for a reel with more information!

Bikeability

Our year 5 children have really enjoyed their bikeability sessions this week! Children have been learning the necessary highway code skills to make sure they are safe when riding their bikes. They have also learnt basic bike care and, about the importance of wearing the correct safety equipment.

School Contact

Please note that teachers are unable to access messages via Class Dojo or Email while teaching or out of working hours. We kindly ask for your patience and understanding with message response times - which are up to 5 working days.

If you have an urgent message, please send it the day before or contact the school office directly. For messages that need to be passed on to your child, please contact us as early as possible during the day rather than at the end of the school day wherever possible: the phone lines can be busy during peak periods at the start and end of the day, and it may take you a while to get through. Thank you for your cooperation and support.

Baby News

We have some lovely news to share! Mrs Henry - our Finches class teacher - is expecting her second baby! We want to extend all of our love and congratulations to team Henry during this exciting time. Mrs Henry will remain in the Finches class for most of the rest of this year, with her maternity leave starting shortly before we break up for the school summer holiday. We have started the process of organising maternity cover to ensure a smooth continuation for our Finches children.

Safeguarding Alert

We have received reports from members of the public that babies and toddlers have been seen left unattended in parked cars on Livesey Branch Road. This is a serious safeguarding concern. Please ensure that children are never left alone in vehicles doing so can put them at significant risk of harm. Thank you for helping us keep all children safe.

Debate Team Updates

Our debate team is back up and running. We meet on Thursdays in *The Nest* at 12:05. Miss Dootson is currently working with other schools, both locally - and internationally - to coordinate some matches! Sadly, no school trips for any "away matches" aboard for the international school(s) - just via TEAMS but, an exciting opportunity for our pupils all the same!

Year 5-6 Boys Football League Update

The Year 5-6 school football team continues to impress in the Year 5-6 Boys Football League with two thrilling victories. First, they secured a 3-2 win against Shadsworth Juniors after racing to a 3-0 lead and showing great resilience under late pressure. Next came another nail-biter—a 3-2 triumph over Longshaw Juniors, clinched by a dramatic last-minute goal! This was a great achievement when you consider the side went 1-0 down and one of our players was seriously hampered by a leg injury.

After seven league matches, the boys sit proudly at the top of the table with 14 points. Even more impressive, they remain undefeated in their last five games. Their determination and teamwork have been key to this fantastic run, and the whole school is cheering them on as they aim to finish the season strong in their final game versus The Redeemer.

Well done, team—keep it up!

Key Dates

12.02.26 - Valentines Disco - Infants & Juniors
16.02.26 - 20.02.26 - School Closed for Half Term
23.02.26 - School reopen
