**Friday 23rd January 2026**

Welcome to this weeks' newsletter.

Read ahead to see how we filled this week at afterschool club. From creative activities to active play, it has been a busy week with lots of smiles.

## **Junk to Joyful Flowers!** 🌻

We were all dreaming of sunnier, warmer Spring days whilst the children got busy creating; using junk materials they made lovely, big, bright flowers. It was a fun way to let their imagination bloom!

## **Helping Hungry Birds**

During these colder months, food for the birds becomes scarce and they spend their time searching for something to eat.

To help, the children have been making bird feeders that can be hung from trees providing the birds with a food source when they need it.

## Valentines Disco

Some parents have been asking about the arrangements for this and what payment is required.

- If your child is going to the disco and is being collected at the end of it - please pay for the disco only.
- If your child is coming to Pit Stop after the disco - please book your required session and pay for that, no additional payment is needed for the disco.

All children attending Pit Stop should be collected from the Junior building as normal.

Any questions or queries, please speak to a member of the Pit Stop Team.

### **Grab a Brew & GO!**

## Riddles at Breakfast Club! 🍌

On Thursday we started the day on a bright note at Breakfast Club, where the bananas came with a twist — each one had a riddle or question scribbled on the peel.

It turned a simple snack into a little morning challenge and set a playful tone for the rest of the day.

We thought it would be a bit of fun to periodically play “**Guess the Staff Member!**”

We will share a question or clue - can you guess who it is?

Keep your guesses ready, as the answer will be revealed in the following week's newsletter!

### This weeks' question:

Which Pit Stop staff member holds a Guinness World Record?
