Year 5-6 Sportshall Athletics Finals Results

What an exciting and inspiring evening we had on Thursday after school at Darwen Vale High School! Our Year 5-6 Sportshall Athletics team competed in the finals against some incredibly strong opposition — and once again demonstrated what it means to be a Feniscowles Child. All 18 pupils performed with determination, respect and integrity, embodying our school values in every event. From start to finish their teamwork, focus and effort were outstanding. The standard of competition was exceptionally high, but our team gave their absolute best, striving for excellence at every turn.

After a very tight and thrilling contest, our team finished 4th overall, narrowly missing out on 3rd place. This is a super result when you consider that over 30 schools entered the competition, and our pupils reached the final 5 schools! Their success truly reflects the hard work and commitment they bring to everything they do.

Well done to every pupil who competed — you made us incredibly proud. Your effort, resilience and positive attitude are exactly what we celebrate at Feniscowles Primary School.

Thank you!

We would like to say a massive thank you to Feniscowles & Pleasington Junior Football Club for their incredibly generous donation towards a trophy celebrating our girls' recent football achievements. Support like this highlights just how important local clubs are in inspiring young people to get involved in sport from an early age, helping to build confidence, teamwork and a love of the game. It's a brilliant example of our community coming together to support and encourage one another, and we are so grateful for their continued encouragement of grassroots football and our pupils' success.
