As we start this new half term, we are also welcoming lighter mornings and brighter evenings that bring an extra boost!

We are excited to begin a new half term filled with lots of learning and fun!

Start the Day the Birthday Way!

Breakfast Club is now celebrating children's birthdays in a special way!

Birthdays are marked with birthday balloons and a fun poppet key ring for the birthday child to take home.

It is a lovely way to make their morning feel extra exciting and to share the celebration with friends.

Lighting up the Dance Floor!

The children and staff had a great time at our Glow Disco!

The hall was filled with glowing decorations and plenty of neon excitement. The children loved decorating their own t-shirts with glow paint and trying on a fun variety of bright, glowing glasses. With glow sticks lighting up the dance floor, everyone showed their best moves to the music - even the adults!

It was a fantastic evening full of energy and smiles all around - a brilliant way to start the new half term! Please check the school Facebook page for further pictures.
