Pit Stop News

Friday 13th March 2026

Welcome to this week's newsletter. Thank you to all the children who joined us this week and made the club such a great place to be.

Read ahead to see what has been happening this week at afterschool club.

Pebble Art

This week the children have decorated pebbles to help celebrate Mothers Day.

They drew colourful patterns, flowers or wrote little messages on the stones to show their appreciation for that special person - whoever that may be!

The pebbles are a small gift that can be kept as a reminder of their special day this weekend. A simple creative activity that turns ordinary pebbles into meaningful treasures.

✨A gentle reminder:

Please keep us updated with any changes to your child's dietary requirements, so we can continue to provide the best care possible

Plant, Grow, Cook! 🌱🍅

Children from Breakfast Club have been busy in the garden this week planting the first potatoes. They carefully prepared the soil and worked together to plant the seed potatoes.

The children are excited to watch them grow over the coming weeks. Once the potatoes are ready to harvest, they will be used at After School Club to make delicious recipes for tea.

This is a wonderful "garden to plate" project, helping children learn where food comes from while enjoying what they grow, as well as developing their gardening and cooking skills.

Weekly Highlights!

- This week the children enjoyed playing various board games especially Guess Who?
- They also worked together to build amazing structures with Lego.
- They had a great time playing team games outside on the playground.
