Friday 20th March 2026

Read ahead to see what's been happening this week.

Fantastic Focus!

The children showed great perseverance during activities this week; whether completing tricky jigsaw puzzles, constructing trains and carriages, or creating complex designs with the peg boards, they kept trying until they were happy with their results.

Their hard work and fantastic attitudes helped them achieve some amazing things!

Fruit Creations!

The children had a great time making fruit kebabs. It was a fun activity that was not only healthy, but also help develop key skills - fine motor, hand to eye co-ordination and social skills like sharings and working as a team, as well as being create through clour and pattern. Not to mention they were delicious!
