Welcome to this weeks newsletter!

Read ahead to see what has been happening this week.

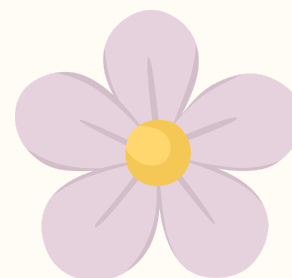

## Sunshine, Wind & Wheels of Fun☀️

This week we have been enjoying playing outside in the windy, but sunny weather, making the most of the fresh air and open space.

The children have loved embracing their new balance bikes, building confidence as they ride.

They have also enjoyed the calm area at the back of the hall, where they relax and enjoy quiet activities together - chatting and laughing with friends.

The sand and water play is always popular as well as the mud kitchen - everyone getting creative with an array of culinary delights!

In addition to our daily hot meal, children can choose from a selection of toast, sandwiches and wraps.

There is also a selection of desserts on offer - there is always something to suit everyone's taste.

### ✨A gentle reminder:

Please keep us updated with any changes to your child's dietary requirements, so we can continue to provide the best care possible

## Parachute Fun!

The children have been enjoying playing with the parachute especially in this windy weather. They worked together to lift, shake and run/sit underneath it, creating lots of laughter and excitement.

A super active play while making the most of the lovely weather!

## Made for Stage Arrangements

Children who attend both Pit Stop and Made for Stage on a Wednesday can be safely transferred between sessions by our staff, allowing parents to simply collect them from Made for Stage at the end of the evening. This is designed to make things easier and more convenient for families.

This arrangement is also available for children attending the newly introduced MFS Tuesday evening session. If you would like your child to be included in this arrangement, please inform either their class teacher or a member of the Pit Stop team in advance.
