Welcome to this weeks newsletter!

Read ahead to see what has been happening this week.

Little Authors

This week, afterschool club has been buzzing with young storytellers creating stories full of creativity and excitement - letting their imagination run wild! Through exciting adventures, mystery and enjoyment, the children have truly demonstrated their enthusiasm and passion for storytelling. It has been lovely to see, as they share their ideas and inspire one another.

Grape Expectations!

A big thank you to one of our children for bringing in a lovely vine plant for our garden! A place where lots of the children love to learn and explore. We are excited to help it grow and see how it flourishes over the coming months.

Who knows - if we take good care of it, we might all be harvesting grapes and opening our very own tiny vineyard soon!

Flower Power!

Simple food containers were given a whole new lease of life as children transformed them into bright, oversized flowers. With some creative cutting, these everyday items were turned into colourful petals and designs.

Have you turned everyday items into something exciting? We would love to hear about your junk modelling creations!

Our Year 6 Superstars!

Next week, our Year 6 pupils will be taking their SATs.

We are incredibly proud of all their hard work and know that they are fully prepared ready to do their best and show just how much they can achieve!

We wish them the very best of luck.
