Pit Stop News

Friday 15th May 2026

Welcome to this weeks newsletter!

Read ahead to see what has been happening this week.

Table Tennis Showdown

The children have been thoroughly enjoying table tennis and love practising with their friends. The games can become very competitive, especially when Mr Turner joins in and takes his place on a team! There is lots of laughter, teamwork and excitement as everyone tries to win the match.

Stitching Up New Skills

Following on from our Pom Pom success, we thought we would have a go at learning some new skills - crochet and knitting.

We had great fun by exploring crochet, and this week has seen us perservering together as we practised this new technique and developed our confidence.

It has been great to see everyone learning something new as well as showing a lot of patience!

✨A gentle reminder:

Please keep us updated with any changes to your child's dietary requirements, so we can continue to provide the best care possible

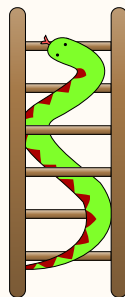

The Joy of Traditional Games

Traditional games such as Snakes and Ladders continue to bring fun to people of all ages and are often forgotten in today's fast moving world. This all time favourite brought lots of pleasure and laughter this week, showing how simple games can still bring everyone together.

A recent donation of a chess board also gave the children an opportunity to enjoy playing chess together.

Some beginners were able to learn the game from scratch with the help and guidance of Mr Hadfield, while others enjoyed challenging each other in friendly but competitive matches.

A fun and engaging activity for everyone!
