Pit Stop News

Friday 26th June 2026

Welcome to this weeks' newsletter. Despite the hot weather, we have been keeping busy and finding plenty of ways to stay cool while having lots of fun! Read on to see what we have been getting up to.

Change of Building - Tuesday 30th June

Due to the Summer Music Concert taking place in the Junior Hall, Pit Stop will be based in the **Infant Building**. Please collect your child from the Infant Building using the Park Farm entrance.

Thank you for your cooperation and understanding.

Keeping Our Cool

As well as having lots of drinks and finding some shade, the children enjoyed a cooling foot bath.

Dipping their feet helped everyone cool down after a hot day. It might not be the Woodland Spa, but we improvised - and it definitely did the trick!

In addition to our daily hot meal, children can choose from a selection of toast, sandwiches and wraps.

There is also a selection of desserts on offer - there is always something to suit everyone's taste.

✨ A gentle reminder:

Please keep us updated with any changes to your child's dietary requirements, so we can continue to provide the best care possible

Breakfast Club Gardeners at Work

This week at Breakfast Club, the children have been taking care of our garden by watering early in the morning before the weather becomes too hot. Our cabbages are growing amazingly this year and are looking very healthy, avoiding any garden pests who usually like to eat them!

Grab Your Summer Pit Stop Package!

Our Summer packages are now on sale. These can be bought by all children, whether they are attending the party or not. There is a variety of colours to choose from, grab yours while stocks last!

Hot Weather Arrangements

During hot weather, we will continue to follow the same precautions as during the school day to help keep children safe and comfortable. Children will be encouraged to stay in shaded areas and drink water regularly throughout the session. We will also limit the amount of time spent outdoors and, where necessary, bring children indoors periodically to cool down.
