

Pit Stop News!

Friday 25th September 2026

Welcome to this week's newsletter!

Another week has flown by at Pit Stop! The children have been busy playing, creating and enjoying time with their friends. It is always lovely to see them making the most of their time with us. Take a look at what we have been up to this week. Have a lovely weekend from everyone at Pit Stop!

What we have enjoyed this week!

The children had lots of fun making their very own slime this week! They enjoyed mixing the ingredients, choosing their colours and watching their gooey creations come to life. A fun and messy activity enjoyed by everyone!

Hama Bead Creations!

The children have really enjoyed getting creative with Hama beads this week, using their imagination to make colourful designs and patterns. It's been lovely to see their fantastic finished creations!

Any Questions?

If you have any questions or queries, please do not hesitate to speak to a member of the Pit Stop Team or email/ring the school office. We're always happy to help!

Scarecrow Season Has Arrived!

As autumn settles in and the colourful signs of the season begin to appear, the children will soon be busy getting creative by making our very own scarecrows.

Keep your eyes peeled as they will soon be making an appearance and adding a touch of autumn magic to our setting.

New Outdoor Equipment!

We have been lucky to purchase some new outdoor equipment for our older children to enjoy, including scooters, basketball hoops and Swingball.

We hope the new equipment will encourage great team games outdoors.

Children will be supervised by members of the Pit Stop team at all times while using the equipment to ensure it is used safely and appropriately, in line with our health and safety procedures.

and safety procedures.

In addition to our daily hot meal, children can choose from a selection of toast, sandwiches and wraps.

A gentle reminder:

Please keep of any change of child's dietary requirements, so we can continue to provide the best care possible.
